### SPECIFIC NOTES FOR YOUR REVIVA BUILT ENGINE

Freight is included round trip. See attached Product Bulletin for what's included as well as core criteria. ESN provided is a Recon SN. Please provide original ESN or confirm the oil pan sump location and turbo orientation prior to placing order.

**Did you Know? Not all remanufactured engines are created equal.** Each Reviva engine is built to your specific VIN/ESN. No additional grooming is necessary with Reviva engines, keeping the total cost lower than the competitors.

### **Estimated COMPETITORS' Additional Grooming Costs**

Core charge-back cost for end buyer (potential)	\$1,500 - \$6,000
Freight cost for end buyer (potential)	\$600 - \$1,000

**Freight Disclaimer:** Standard LTL freight is provided on delivery and CORE pick-up within the Continental US. Additional charges apply for lift-gate, residential, and non continental US deliveries.

**SALES TAX:** Your current tax-exemption form for the state you are shipping to must be on file with Reviva to avoid sales tax at the time of purchase from Reviva.

This quote is based on the data provided to Reviva.

To avoid any charge backs on CORE or for returned product, please review the quote detail that the engine equipment is like for like.

Prices are quoted in USD and subject to change.
